### Interventional Cardiology

**Daniel Feldman, MD**  
Cardiology – Interventional Cardiology – Structural Heart

- Clinical cardiology
- Congestive heart failure
- Coronary artery disease
- Rhythm disorders
- Cardiac valvular disease
- Cardiomyopathy
- Echocardiology
- Coronary intervention
- Structural heart

**Judd Salamat, DO, FACC, FSCAI**  
Cardiology – Interventional Cardiology

- Clinical cardiology
- Congestive heart failure
- Coronary artery disease
- Rhythm disorders
- Cardiac valvular disease
- Cardiomyopathy
- Echocardiology
- Coronary intervention
- Diagnostic and complex peripheral vascular procedures

### Electrophysiology

**Fawaz Alhumaid, MD**  
Cardiology – Electrophysiology

- Interventional and medical treatment of dysrhythmias
- Ablation
- Clinical cardiac electrophysiology
- Defibrillator implantation
- Electrophysiology studies (EP)
- Implantable loop recorder
- Pacemakers

**Brian Moyers, MD**  
Cardiology – Electrophysiology

- Interventional and medical treatment of dysrhythmias
- Ablation

- Implantable loop recorder
- Pacemakers

### Cardiology

**Erin Boehm, MD**  
Cardiology

- Clinical cardiology
- Congestive heart failure
- Coronary artery disease
- Rhythm disorders
- Cardiac valvular disease
- Cardiomyopathy
- Echocardiology

**Ron Chelsky, FACC, MD**  
Cardiology

- Clinical cardiology
- Congestive heart failure
- Coronary artery disease
- Rhythm disorders
- Cardiac valvular disease
- Cardiomyopathy
- Echocardiology
- Nuclear imaging

**Gail Jones, MD**  
Cardiology – Critical Care

- Clinical cardiology
- Congestive heart failure
- Coronary artery disease
- Rhythm disorders
- Cardiac valvular disease
- Cardiomyopathy
- Echocardiology
- Critical care

**Rachel Riedel, PA-C**  
Cardiology

- Medical management for heart failure
- Post procedural patient care
- Urgent and same day appointments

**Chad Carr, FACC, MD**  
Cardiology

- Clinical cardiology
- Congestive heart failure
- Coronary artery disease
- Rhythm disorders
- Cardiac valvular disease
- Cardiomyopathy
- Echocardiology
- Nuclear imaging

**Mark Hart, FACC, MD**  
Cardiology

- Clinical cardiology
- Congestive heart failure
- Coronary artery disease
- Rhythm disorders
- Cardiac valvular disease
- Cardiomyopathy
- Echocardiology

**Angela Lewis, PA-C**  
Cardiology

- Medical management for heart failure
- Post procedural patient care
